

Spot me a... Greater flamingo

Phoenicopterus roseus

Jet black primary and secondary wing feathers.

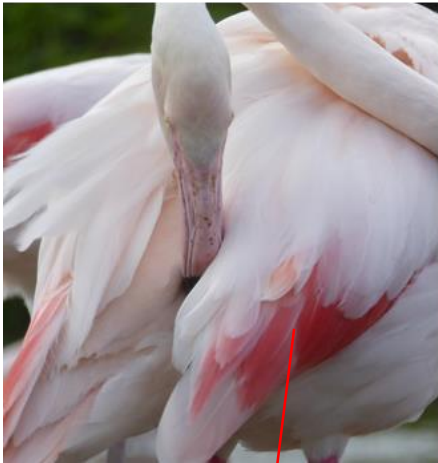

Bright yellow eyes in bare pink skin.

Bright pastel pink legs and webbed feet.

Mainly white feathers with brightest pink on wings.

Wide upper mandible (shallow keeled).

Pastel pink bill with a black tip.

Long legs and very tall!
Stands up to 150cm.

Pink patches on head and neck feathers caused by preen oil.
